

**GOVERNMENT OF INDIA
CENTRAL INSTITUTE OF FISHERIES NAUTICAL & ENGG. TRAINING**

No.F.1-9/2011-Trg.

Dated: 21.03.2012

PROGRAMME FOR MODEL EXAMINATION OF VNC / MFC TO BE HELD IN MAY 2012 AT CIFNET HQ, KOCHI & UNITS AT CHENNI & VIZAG

<i>Date & Day</i>	Subject	<i>0930 - 1230 hrs.</i>	<i>0930 - 1230 hrs.</i>
		Vessel Navigator Course	Marine Fitter Course
14.05.2012 Monday	Social Studies	-----	-----
15.05.2012 Tuesday	Trade Theory	Seamanship Safety & Watchkeeping	Marine Engines
		Marine Meteorology & Oceanography	General Engineering Knowledge
		Elementary Marine Engineering , Naval Architecture & Ship Construction	Heat Engines and Refrigeration
			Marine Electrical & Electronics Technology
16.05.2012 Wednesday	Workshop calculation and Science	Fishing Gear material, Accessories & Design	Workshop Technology
		Fishing Technique	Naval Architecture & Ship Construction
		Marine Fisheries	Hydraulics, Pneumatics & Deck Machineries.
		Fish processing & Fish Finding Equipment	Fishing Technique and Seamanship & Navigation
		General English & Applied Mathematics	General English & Applied Mathematics
17.05.2012 Thursday	Engineering Drawing	Chart Work	Engineering Drawing & Machine Drawing
18.05. 2012 Friday	Trade Practical	1. Practical Navigation	1. Onboard Training- operation, , Troubleshooting and Maintenance of Marine Engines, Auxiliaries and other Machineries & Equipments.
		2. Fishing Gear Practicals & Viva	
		3. Onboard training – Navigational aspects and fisheries including Seamanship & navigation	2. Workshop Practical – I
			3. Workshop Practical and Viva voce – I
